with her heels, which I took as a good sign, so I started fondling her bum.

"You dirty fucker..." she said, but she didn't tell me to stop. Instead, she hitched up her skirt. I ran my tongue over one of her gorgeous, peachy

arsehole. She squirmed and giggled every time I licked her ring, and so I tried something else - probing it with the tip of my little finger.

"H-he... he won't fuck me up my bum..." she breathed, obviously meaning my mate. Then he's a fucking twat, I thought, sinking my finger in down to the knuckle.

Just crooking and wiggling it sent her mental and I wondered what a good stiff prick up the arse would do to her.

I grabbed a bottle of olive oil, spread her cheeks with one hand and poured it over her ring with the other. After working it in with my fingers, I slathered pretty

felt like I was getting a wank as well as a fuck, she was that tight.

The ladder was rocking slightly, and Lauren wasn't a quiet shag - she was moaning and whimpering as I knobbed her, but if I eased up she'd tell me not to stop. I just had to give her clit a little diddle and she'd be off, her

arse cheeks, then buried my face between them.

She was already nicely moist, but as my tongue got to work, her juices really started flowing. She squealed again as I brought my hand around to play with her clitoris, rolling it between my fingers as I tongued her cunt. Her fuck-cream kept gushing into my mouth, so I started to lick it up her crack, using my tongue to work it around her

much the rest of the bottle over my cock, then got her to step further down the ladder. Her arse felt so good, spreading against my crotch as she rubbed up against me, making sure I was rock hard.

Then I pressed my knob-end up against her arsehole and eased it inside slowly, feeling her arse muscles clamp around every inch. As I thrust in and out, gently at first but then speeding up, it

unstuffed cunt pumping juices down her inner thighs.

I couldn't hold back long and as I brought her to yet another orgasm, my prick began to throb and I spunked my load deep in her arse. I told her to stay where she was, then knelt down and spread her bum cheeks apart so I could watch my

own spunk trickle out of her stretched, oiled hole and down her slit.

Since then, we've had a couple more sessions of anal fun, but she's never let me fuck her up the cunt. That's strictly for my mate, she says. Well, I'm happy to take what I can get!

It seems like the whole country's gone baking mad – or is that bonking mad? Both ingredients are combined to create a very English show-stopping sex fantasia The Great British Bonk Off on Television X. There'll certainly be a big tent in your trousers when you watch Ben Dover as "Paul Hardywood" showing us how to pipe cream or Rebecca More as "Mary Cherry" judging Lexi Lowe's muffin. And, like some of the contestants' baking efforts, we're expecting her to end up a sloppy mess.

What's a reverse gangbang? When one lucky guy gets to shag football team numbers of girls. This film, All You Can Eat, has two of them.

But maybe you can have too much of a good thing. I mean, this guy on the left looks like he's going to have a stroke.

## AMERICAN PIE

You couldn't open a scud mag in the nineties without seeing Californian porn star Jenna Jameson. She rose to be the epitome of that era's all-American blonde, big-boob look, and she did it all without doing anal! Although she's making up for it now by crawling through the shit that is Celebrity Big Brother, on Channel Five now.

Two girls get in a bidding war over estate agent Jonny's personal property

## INTERNAL VIEWING

**A**s an estate agent, I can tell you that we're not back to the good old boom days yet – not that I'm getting or expecting much sympathy! I'm like most blokes in that all that I can really do is ride it out, spend nights in wanking over my porn stash and think of better times – like the episode I want to tell you about. You hear loads of stories about birds shagging the plumber or the milkman, but this was the first time it had happened to me. Just remembering it gets me hard, and it's

inspired countless one-handed sessions!

I was showing two women round a flat. They can't have been more than 19 or 20 – trust-fund students starting at uni after their gap years. They were loaded, I reckon family money, and I had just the place for them, a Victorian house near the common that had been divided into several incredible apartments. It wasn't cheap, but it was spectacular, and as they were loaded I was thinking mainly of the commission!

They both loved the property, so I

talked the talk, telling them they needed to move fast if they were serious about it. I wasn't lying, really, and even at the price we were asking, someone was sure to take it sooner rather than later. They didn't want to get gazumped, so they told me they'd make it worth my while if I took care of business.

Next thing I know – and this is the honest truth – they started to strip off, undressing themselves and each other, then they walked up to me in their high heels and undies and helped me out of

my kit. Hand I heart, I had no fucking idea what was going on. It was just fucking surreal. Me in this luxury flat with these two posh birds all over me. Anna, the blonde had fantastic tits but as soon as I started to feel one up, Julia grabbed my hand and put it on her swollen orbs.

I reckoned there was some competition so I told Anna to get on her knees and suck my dick. She didn't bat an eyelid and dropped down, followed ten seconds later by her mate, when she'd finished sucking my face.

There was definitely a bit of needle between them, Julia going for the root of my cock and Anna batting her hand away, wanting it all to herself, but happy for her pal to lick my balls instead. Julia started mouthing her way upward, though, and, after sharing a kiss with her around my bell-end, Anna walked over to the couch and slipped her knickers down around her knees, bending over and waiting for temptation to get the better of me.

She was bent forward and I fingered her a bit before sliding my wick in slowly

– I wanted to feel every inch of it sucked in. Then I started to shag her standing-up, banging into her from behind.

Julia carried on licking my balls then got on the couch, squatting so her cunny was level with Anna's face. She managed to angle it so Anna could eat her slit and I eased off a notch, grinding Anna's mouth onto Julia's snatch.

There's something about posh girls,

## The frig idea

**J**ulie's a bit wilder than I am, but we've been best mates forever – good thing too, as our home village is the arsehole of Cumbria!

It's a good thing we can never afford to go out as the

right, although I haven't kissed many blokes who taste of cherry lipgloss. But she was a bloody good kisser. We did it again, and again, until we'd stopped giggling over it. Then

**CLaire,  
CUMBRIA**

pubs are crap and the blokes won't look at anything that hasn't got hubcaps and an engine.

A week ago, Julie was staying over, so we got loads of booze and nice food and settled down to watch *Orange Is the New Black*. After watching a bit, Julie asked me if I'd ever fuck another woman.

## I GAVE HER CUNT A GOOD LICKING THEN SLID UP TO GIVE HER A JUICY MORNING SNOG

"It would just feel weird," I said. She bet me if I closed my eyes, kissing her wouldn't be different from kissing a bloke, and she went on about it so much I finally snogged her just to shut her up.

I had to admit she was

Julie started coming on a bit stronger, fondling my tit as she snogged me.

"But I'm not a lesbo..." I started. "So fucking what? Neither am I," she said, adding there was nothing wrong with us turning to each

other for a bit of fun while there were no blokes on the scene.

We'd drunk just enough that I couldn't fault her logic, and when her hand slid in between my thighs I just went

with it, feeling the friction build up as I wriggled against her.

Just a few minutes later, we were naked on the couch, snogging away, my hand caressing Julie's arse cheeks as she worked her fingers in and out of my moist twat.

She held them up to my mouth for me to taste myself, then made a big thing out of sucking them clean.

She went down on me first, lapping the juices out of my slit, then ramming her tongue right

up my hole.

I just laid back and enjoyed it, stroking her hair, but then she swivelled herself around so her crotch was over my face. I had to psyche myself up to take that first lick, it was all so new to me, but once I'd tasted her I wanted more.

Soon, though, she got so focused on sucking my cunt that I couldn't concentrate on hers. I'd followed what she was doing to me, but when she slipped a finger

into my arsehole, wiggling it as she sucked on my clit, I felt something like an electric shock go through me.

As I orgasmed, she clamped her mouth over my hole, guzzling down my juices as the muscle spasms forced them out of my throbbing pussy.

Julie brought me off a couple of times that night, although I only managed it once with her - and she had to frig her own clit. She was really sweet, saying it was because I was nervous, and I'd be okay when we tried again.

We slept on it, our arms and legs all tangled and Julie's wet twat pressed up against my thigh, and I woke her the next morning by getting between her legs and giving her a licking, then sliding up to give her a very juicy good-morning snog.

We're having our fun, but we know it's just until one or both of us meets a bloke. Then again, if they want to watch us fuck each other, we don't have a problem with that.

Julie's also got this idea that whoever pulls first should share her bloke with the other one, individually or better still in a threesome. Wonder how soon we'll get any takers? Contact us if you dare!  
*Claire, Cumbria.*

**Isn't it supposed to be middle-aged men who retire to the allotment "to see how the marrows are doing" – for which read, "I'm going to sit in the shed swigging Special Brew and leafing through this pile of Razzles". Lottie employs much the same subterfuge when she says she's popping down the shed at the bottom of the garden. "I meet my neighbour there under the pretence he's returning some shears or a rake. In reality he gives me the tool in his trousers up against the shed before going back home to his wife!"**

# AMBER

"I went to my first sex party at the weekend. I thought it would be grotty and full of horrible fat middle-aged men," begins Amber, 27. "No offence, guys." Er, plenty taken. "It was actually great. I was the centre of attention, I think because I was new. And I was wearing a sheer body stocking with my big stiff nipples poking right through the fabric. As the night went on and guys and couples kept trying it on with me the crotch of the stocking had a big sticky patch. And by the end of the night I was starkers with a big sticky patch everywhere!"

# SEX ADDICT

For her final column, homegrown hornbucket Tiffany Snow has a blowout in Holland where (for once) it's men on the menu and she intends to stuff her face, as well as every other orifice...

these hot looking, well hung hunks and use them in any way she likes and they must oblige. They do all this for free and it's only 40 Euros for single women to get into the club and that includes free drinks all night!

We had only just sat down when three of the gigolos approached us to chat. (This was before they had even done their official parade around the dance floor in the boxer shorts and bow ties to show off their "wares" to

the expectant ladies.) I had actually been to this club before so knew the guys talking to us were the most popular of the handsome, hung and athletic gigolos there. At the last parade, I saw several married women completely forget their own

partners and run to grab the best looking gigolos before other women got them first.

The guys chatting to us made it clear that after they had done their walk-round they would come straight back to me and Lola, we wouldn't need to be running after them. This was flattering but not that surprising as I am sure that Lola's teasing them by flashing her pussy and giving them all a quick suck had helped

sucking three very hard, big cocks. Lola and I are bisexual and we were soon 69-ing while Lola got spit roasted both ends. I licked her pussy out, occasionally taking the cock out of her and into my mouth. I love pussy flavoured dick and Lola was creaming all over this one.

The guys were taking it in turns to

“So, I went to Holland recently with my sexy friend Lola to try out the “Male Gigolo Ladies Night” at one of Europe’s biggest and best adult clubs, Fun4Two, 40 minutes from Amsterdam.

For those not in the know Friday night at most adult clubs is known as “single guy night” but really it should be called “horny cock loving slut’s night” as it’s basically for single girls and horny couples to come along and have as much cock as they like.

Not surprisingly the Dutch take this a step further and this club provides 15 hand-picked “male gigolos” for use by women at the club on the night. The rule is that any woman can just grab one of

make their minds up who they would be playing with that night.

After they had done their bit they came back to us and took us on a tour of the club as it was Lola’s first time. Me, Lola and three of the club’s best gigolos eventually ended up outside by the pool in a sexy canopy bed under a beautiful starry summer night.

Lola’s not the shyest girl and was soon taking on two of them while I got my hands on the rather large contents of the other gigolos’ boxer shorts. We were soon slurping and

swap over and soon we were both on all fours taking it in our pussies while giving the guy up front a naughty two-girl blowjob.

We really do know how to suck cock and it wasn’t long before he was heavily cumming in Lola’s mouth as she relished every drop. Being best friends though we always share and she made sure not to swallow it without giving me a deep French kiss so we could swap it between us.

There’s something so naughty about the taste of fresh cum in another girl’s

mouth while getting fucked at the same time.

I lay on my back with my legs in the air so I could get fucked deeper while Lola dripped cum into my mouth. The filthy bitch loves seeing me getting fucked, especially with big dicks as she knows I am not able to take them very well as I have a very tight pussy.

She loves to watch the look of pain and pleasure on my face as I strain to get comfortable and take a thick, lengthy cock in me. Lola loves this so much she often opens up my ass cheeks to make it easier to get fully into my pussy while I bury my head in a pillow. She loves seeing me stretched wide and hearing my muffled groans as I struggle to handle it and try to resist but she keeps me in position and delights in seeing me fucked hard.

This particular night the guy fucking me harder and harder with Lola's encouragement ended up finishing all over my cute round ass cheeks; spraying hot cum all across them. Lola was soon all over it, licking it up greedily with her tongue from my ass, making sure to rim me too. I was squirming with

pleasure on the end of her tongue!

The night only got filthier and we ended up at a luxury apartment in Rotterdam with a very rich Dutch guy and some of the gigolos. He had a hot tub in his living room and a 120-inch plasma TV playing hard-core porn. I will leave it up to you to imagine what went on.

I hope *Escort* readers have enjoyed reading my column as much as I've enjoyed writing it!

## Fill her up

Last night I was on my way home from the pub when my car broke down and left me stranded in the middle of nowhere.

A car pulled up behind me and two guys got out and asked me what the problem was. The driver, Colin, said he'd go and get me some

and started fucking each other like it was going out of fashion. I was so away I hardly noticed when Colin pulled up.

When he got to my car he saw me, naked apart from my stockings and suspenders, straddled over Pete and bouncing up and down on his shaft like a yo-yo.

**MARIA,  
WILTS**

head and giving my mouth a good fucking. It felt great to be fucked at both ends.

The harder Colin fucked me the more difficult it was to keep Pete's cock in

my cunt from the front while Pete pulled my bum cheeks apart and started to push his dick up my arse.

I had never felt anything

from the garage.

The garage was about five miles away and his mate Pete was to stay and make sure I was OK.

Pete and I got back into my car to wait and it was then that I started to act completely out of character.

My skirt had ridden up and my thighs and stocking tops were on display. Instead of pulling down my skirt I slowly parted my legs so he could see better.

He stared at my pussy, which was now visible through the tiny G-string panties I had on. I reached over, put my hand on his dick and gave it a squeeze.

The result was quite spectacular. Within a few minutes my blouse and bra were off and he was frantically sucking on my erect nipples.

He was rubbing my pussy and pushing his fingers into my already wet cunt.

We scrambled into the back

I wound down the window and he unzipped his fly and took out the biggest cock I had ever seen. It was about nine inches long and too thick for me to get my hand round.

I leaned out of the window and started to suck his monster dick while Pete banged away at me from behind.

I opened the door and told Colin to fuck me. Even though I was very wet, it was a tight squeeze as he edged his huge dick up my cunt.

As he stretched me wide open Pete was holding my

mouth. I kept my mouth open as wide as I could and took his thrusts deep in my throat.

I could feel myself building to a climax, and in between breaths was coming

like this before. My cunt was so full and now my bum hole was being stretched as much by another dick.

I started to cum and as I did a huge load of spunk streamed into my mouth from Colin's cock. I sucked harder as I felt the waves

a tirade of filth, telling them to fuck me harder and faster.

They took me out of the car and I knelt between them both. I took both of their cocks in my hands and wanked and licked them.

Colin put his dick back up

of my orgasm hit me.

Colin reached forward and rubbed my clit causing me to cum even harder. With a grunt Pete plunged deep into my arse and emptied his load inside me.

**Horny housewife Roxanne has a question for you.**  
"If you were my husband, wouldn't you spend all day rubbing and sucking my pussy, jamming your cock in my peachy pussy and slapping my big bum cheeks while inching your big thing up my arsehole?" asks the 24-year-old sort from Bury, Lancs. "So why doesn't he? That's why I'm appearing in this magazine. I'm sick of men who go down the pub all the time when they've got someone like me at home, wearily wanking. I hope someone out there wants to take me on!"

## Dear Escort,

If you're a regular reader of *Escort* then you may have seen me before as I've been appearing in the magazine for quite some time now.

Over the years I've received loads of fan mail, but it was last year after appearing in the November issue that a letter from a lady called Ellie arrived, telling us that her fella Dave was a big fan of mine and it would be a fantastic surprise for him if

we could get together and do a photo shoot. So I asked my husband Carl and he thought it would be a great idea.

After a few months of texting and exchanging letters the day finally arrived. On the way to the hotel I must admit I was very nervous and excited at the same time. Carl reassured me that it was going to be a fun day and that I would look amazing as always.

After checking in we had a couple of drinks, then Ellie and I left the boys on their own while we went to the room to try on various outfits. Once we started to unpack we couldn't believe what a coincidence it was that we'd packed similar clothes – the boys were definitely in for a treat!

I was nervous about getting undressed in front of Ellie but I needn't have been as she was so easy to get on with and we had such a laugh.

One question that did pop up was

These are just the latest randy readers to meet and make it big through the pages of *Escort Contact*.

were ready Ellie texted Dave to come up. The excitement and the anticipation of the boys coming through the door and seeing us for the first time was unbearable and it seemed like we were waiting for ages.

I'll never forget the looks on their faces or the bulges in their jeans as they burst through the door. The outfits definitely had the desired effect.

The boys started snapping away while Ellie and I posed in various positions. The first session went on for about half an hour and then we sent the boys away for more drinks so we could change into something different.

The second session was as good as the first – we were relaxed and the boys were more confident in asking us what they wanted

I think we covered almost every position possible. But there are a few we'd like to do next time!

Eventually things started to wind down but I thought I'd give Dave one last treat and let him have a feel of my boobs. My hubby Carl didn't see him do it the first time so I asked if he'd

whether or not to wear any knickers. We both decided that we were going to give the boys something to remember and so we thought we'd just go for it and not wear any.

Once we'd decided we

us to do. During the second session we posed with bums in the air, on our back legs open, side-by-side, on top of each and back-to-back,

mind doing it again just so he could get one final photo.

We'd just like to say

to Ellie and Dave we had a fantastic day and can't wait to do it again.

*Molly and Carl,*

# REAL WIFE-SEX

Jonny's story continued from page 19

they laid me on the couch, Julia taking her turn on my prick while Anna sat on my face. I couldn't see what they were doing but I could hear enough, and tell when they were snogging or sucking each other's tits, just from the way their cunts were twitching and tightening.

Maybe it was from her cumming already, but Julia's twat felt even tighter than

hearing them saying, "eat my cunt," or, "suck his cock," in a cut-glass voice is just plain sexy. Julia was grinding back, calling Anna a dirty bitch, working herself up to a cum. She grabbed the back of Anna's hair, humping her face as she got off, then flopped down into the seat. Even though she was still a bit dizzy, she reached in between Anna's legs,

**She slid under her and started to eat her snatch, sucking out the jizz**

copping a feel of my wet cock and balls, and frigging Anna's clit. And it only took a few more pushes before I was blowing my beans in her shuddering hole.

Julia looked like she was about to pounce on my dick, but instead she slid under Anna and started to eat her snatch, sucking out the jizz. I told them like it or not, they were buying the couch now we'd fucked on it, and they just ignored me and sixty-nined.

I watched, getting hard again, then

Anna's, clinging around my shaft. And when Anna's fingers found her pal's clit, Julia started moaning, spreading wider to take me deeper till she came hard.

Anna told me to let them know when I was cumming, speaking to me like I was a servant or something. But I managed to groan a warning and Julia rose up, so I spunked on her slit and then shot the rest in Anna's mouth as she put my cock inside it.

I'm not complaining about what happened – they paid full whack for the flat and I made a killing in commission. Good times! Two dirty bi-girls get bored with snatch on demand and take cock where they can find it...

I'm still seeing Anna now and again and she let me take these photos of her property looking at its best!

# KITTEN

Budding member of the flaparazzi Kitten gets a thrill from taking pics of her friends in flagrante. "There's a group of us who have wild parties and partner swapping. I'm the unofficial group photographer. I've got a treasure trove of horny photos of threesomes, foursomes and moresomes. Shame there's no-one to take pics of me when I put the camera down and join in the fun..."

## Lorry Pop

**L**ate one Friday night I dropped my friends off and headed for a truck stop. I was wearing a black leather top with see-through front, no bra, a short red skirt, a black leather G-string and black lace hold up stockings.

There were four trucks parked there. A couple of drivers started wolf-whistling. Then the other drivers came over to see what was going on and they stood around me.

One asked what a tart like me was doing in a place like this. This was one of my fantasies – to be fucked by a load of dirty truckers. I was a little scared but excited by the possibility of it.

One driver grabbed my arse and said he'd like to fuck me in the back of his truck. He

slipped his hand up my skirt and into my G-string. I was so horny I didn't try to stop him.

He shouted to his mates, "This bitch is soaking wet!" Another one grabbed my big tits and told them all I needed a good fucking.

The first bloke still had his hand down my G-string and was giving my pussy a good rub. He finger-fucked me till I came while the other one sucked my erect nipples.

The other four blokes watched for a while, but I was so horny I was ready to take them all on. They began to

push me from one to the other, touching me all over.

They kissed me, fingered me, sucked my tits and licked my wet cunt. I came so much it was running down my legs. It didn't run far – they lapped it up and rubbed it over my tits.

I thought fuck it! I dug out my old school uniform and laughed to myself.

It seemed so pointless, but nevertheless I put it on and to my surprise I felt incredibly sexy. I stared at myself in the mirror and started to feel so horny.

I cocked my leg up a bit to reveal my cunt. I could feel myself becoming wet and

I brought my self off. I began pumping it in and out and soon the air was thick with the sweet scent of cum.

I was so turned on I couldn't wait for Warren to walk through the door, so

I couldn't help but give it a rub, so I went to work on my pussy with my fingers.

As I rubbed my clit more frantically, I wanted something to go in my hole. I had a quick look round and spotted my jumbo marker on the table.

I grabbed it and slowly inserted it into my pussy as

instead I went downstairs to meet him.

He was shocked, but I could tell from the bulge in his trousers that he liked what he saw. I sat him on the stairs and put on a little show.

I posed in front of him, allowing him to get a good eyeful of my cunt and arse

It felt so good and the smell of diesel was really making me horny. When they had finished handing me around they ripped off my leather top.

Then they cut my leather G-string off, bent me over the bonnet of my car and fucked me one by one. I had never had so much cock up me – I loved it.

When they were finished doing me over the bonnet they carried me to one of their

understood why he gets so worked up about it.

I've always considered it a bit boring, but you have to give and take a little bit so

beneath my short skirt. I cocked one leg up and ran my fingers across my shaven pussy.

His eyes nearly popped out of his head, and that wasn't all. To end my little performance I released his fat

trucks. I lay on my back and they started all over again.

I had cocks in my mouth, they fucked my tits and my

I had two fucking my mouth while one fucked my tits and

They came in my mouth and over my tits, rubbing it all over me with their big hard cocks and making me lick

I love the taste of a big dick, especially when tiny drops of salty pre-cum escape.

Next I straddled over him and inserted his cock into

Before long I was riding him like a true knob-jockey, my feet flat on the floor and my thighs pumping me up and down over his massive

my dripping cunt. I closed my eyes and eased myself onto his shaft until only his balls were visible.

I slowly began to ride his cock. As I increased my pace he grabbed my arse and

I fucked him like a bucking bronco until we both came. Now I regularly dress up for him and enjoy it as much as he does!

## QUIET NIGHT IN

As a regular reader I've been meaning to write for some time. This is a surprise for my boyfriend Alan. I thought I'd bring back some memories by telling the story of our first threesome.

jeans. I slowly licked it and then began sucking it till the veins were bulging.

Alan pulled his knob out and slid it inside my juicy pussy. He started pumping me slowly at first and then faster.

I sucked harder and faster on Kyle's prick just as Alan filled me up with his love gunk. I could tell Kyle was close to doing the same so I got down on the floor on all fours.

Kyle put his cock in my cunt and pumped away.

Alan was playing

with my tits and I was in heaven.

Soon Kyle came deep inside me, spunking his load

shattered and went to bed, leaving Alan and myself on the sofa and Kyle on a chair.

Alan and Kyle sat on the sofa with a space between them for me. I sat down and we started watching porn.

We began to say which porn stars we would like to do the most. Soon I could see Alan and Kyle's bulging pricks through their jeans.

My pussy was throbbing for a fuck. I could see they were up for it.

Then Kyle began to rub my leg, moving up and down my thigh. Alan started at the other side.

I sank back into the sofa and Kyle started undoing the buttons on my top, revealing my plump breasts. Alan's fingers slipped into my sopping wet pussy.

I turned to Kyle and slipped his rampant cock out of his

alongside Alan's. To finish I went and sat on the sofa and frigged myself off.

It was my first but not my last threesome. We met Kyle a few times after and went a lot further.

Now we would like a foursome, so any couple out there who'd like a laugh under the covers – write to us! .

Vicki, Lancs.
